Aquapure™ Odor Lock Concentrate

Product Code: 3800173
Revised Date: 06/05/12

Aquapure™ Odor-Lock Concentrate

Aquapure™ Odor Lock is a liquid blend of true odor neutralizer molecules and counteractant components formulated to neutralize malodors on contact. Its proprietary formulation of compounds utilizes the newest of odor locking technology and works well on solid sludge, wastewater and odors in the air. When sprayed, **Aquapure™ Odor-Lock** mist react with odor causing gases of organic and inorganic materials and converts them into odorless, stable and non-toxic compounds. **Aquapure™ Odor Lock** is highly effective in neutralizing odorous gases including: hydrogen sulfide, methylmercaptan, ammonia, skatole, indole and trimethylamine.

Applications:

- Industrial sludge
- Garbage
- Air

Aquapure™ Odor Lock can be sprayed into the air around and directly on to odorous surfaces such industrial sludge , garbage or odoriferous roll offs etc. as needed. Aquapure Odor-Lock can also be added to mop water and used on floor.

Advantages:

The advantage of using **Aquapure™ Odor-Lock** is that it provides **immediate perceptible benefits** after its application due to the presence of counteractant components. **Aquapure™ Odor Lock** acts to destroy odors, not just cover them up like standard industrial products. It does this by neutralizing acid, alkaline, or neutral odor-causing molecules by a chemical reaction that converts them into an odorless and harmless chemical composition.

- * Destroys malodors on contact
- * Water based formulation (solvent free)
- * Biodegradable and environmentally friendly
- * Non-toxic and skin friendly

Dosing Requirements:

This product can be used as is or diluted 20 to 1 with water for application to sludge, water or air.

Product Bulletin

Better Chemistry. Better Business.

Aquapure™ Odor Lock Concentrate

Product Code: 3800173
Revised Date: 06/05/12

Recommended Uses:

Sludge odors, fish smell, food odors, hydrogen sulfide odors, mercaptan odors, fecal odors, garbage smell, musty/mildew odors, grease trap odors, sewage odors.

Packaging:

5-gallon or 55-gallon drum available.

Specifications:

Form: Liquid

Color: Clear to Slight tint

Fragrance: fresh

Active Content: Surfactants, Odor Neutralizers, Counteractants

WARRANTY

THE QUALITY OF THIS PRODUCT IS GUARANTEED ON SHIPMENT FROM OUR PLANT. IF THE USE RECOMMENDATIONS ARE FOLLOWED, DESIRED RESULTS WILL BE OBTAINED. SINCE THE USE OF OUR PRODUCTS IS BEYOND OUR CONTROL, NO GUARANTEE EXPRESSED OR IMPLIED IS MADE AS TO THE EFFECTS OF SUCH USE, OR THE RESULTS TO BE OBTAINED.
